W. H. LEEDY,
Grand Secretary

Indianapolis, October 20, 1915.

BROTHER ODD FELLOWS OF INDIANA:

We have two full months yet to do something in this 1915. In my last note to you I asked that every lodge strive to add 5 members to their membership. Several wrote me they would do so; others wrote they had done so, but, there are not enough of these to prevent a loss in the State this term. The gain last term was only 386. If every lodge will gain TWO this term we need not have a loss. We urge you to try for this gain of 2. Any lodge ought to gain 2—if it tries. Will you gain 2? Will you try? Please write me about it.

Hall of Setting Sun Lodge, No. 583, I. O. O. F.

CATUGA, INDIANA, December 15, 1915.

To Subordinate Lodges, I. O. O. F., of Indiana:

BROTHERS—Our lodge room is a third story, 60x80 feet; the cost when built, in 1902, \$3,600. Our indebtedness is \$1,870, with \$670 of notes with personal security, and \$1,200 mortgage on building. We have had death benefits and sick benefits to pay until it became impossible for us to meet our interest and insurance, and we have assessed our members until a great many have dropped from the lodge. We offered our lodge room to the mortgagee for the amount of the mortgage (\$1,200) and they refused to accept the building as payment, and on account of the mortgage having a defect in it they are going to hold the trustees for payment of claim. We are behind with our interest and insurance for the past year, which amounts to \$156 and we now have a brother that has been almost an invalid for more than two years, and we are far behind with his benefits. We have at present some forty-five members in good standing, and unfortunately one-third of them are in the jurisdiction of other lodges. We have struggled long and earnestly, but if we can not get help we must perish. We earnestly pray that the lodges of the State will immediately and generously come to our relief. It will be a Christmas gift that we will appreciate. Fraternally submitted,

H. E. SANDERS, Secretary.

The new Code of Laws, issued by the Sovereign Grand Lodge, will be ready April 1st. It is a volume of 700 or 800 pages. The price is \$2.00. Please send in your orders now, or soon, that I may know number of volumes to procure. Every lodge and every live member should have this Code.

1916.

So many of our lodges did not do anything in the way of additions in 1915—nor 1914, nor 1913. Let us all do something in 1916. We can keep our lodge membership young by adding young men every year. You have young men in every neighborhood—good young men, as good as we were when we were young. Let's get some of them, at least, and good older men, too.

Fraternally,

W. H. Leedy

Grand Secretary.

N. B.—This circular letter is addressed to the Financial Secretary for presentation to the lodge, and must be read to the lodge.

Office of the Grand Master

JESSE MACBETH,
Grand Master

Fort Wayne, June 7, 1916.

To the Lodges I. O. O. F. of Indiana:

DEAR BROTHERS: This month will close the first term of this year. Will our record show that we have moved forward in Odd Fellowship during this term? This will depend upon the record returned from each individual lodge. Therefore, I address this letter to urge upon each lodge the importance of doing the following things:

FIRST: Each lodge should appoint a committee of three to visit all delinquent brothers or write them if they be out of the jurisdiction of the lodge. Do this now, so that your records will show that none have been dropped.

SECOND: During the past few years our lodges have dropped many worthy members because of non-payment of dues. Some lodges have appointed committees to visit all members who have been dropped during the past five years or more. The result has been that many have been reinstated. To reinstate one is equivalent to adding a new member. Why cannot your lodge do this and do it now, so that members may be added to your membership in this way before this term ends.

THIRD: Start now for the second term. Let every one now plan to add two members during the next term. Touch up your degree work so that interest and attendance will not lag during the summer months. Plan something in a social way. Let Odd Fellowship go forward in Indiana with the end in view that when we celebrate the centennial of Odd Fellowship in 1919, Indiana will have a membership of one hundred thousand.

In making these three requests I am not asking that which you cannot do. Therefore, do these things now that we may not only have results for the year 1916, but that the order we love so well may grow stronger and more useful for the time to come.

Fraternally yours,

Jesse Macbeth
Grand Master

"A DIME from the smallest giver,
A DOLLAR from all who will,

OFFICE OF THE SECRETARY

MT. VERNON, IND., Jan. 17, 1916.

To the Encampment, Subordinate and Rebekah,
I. O. O. F. Lodges of Indiana.

Dear Brothers and Sisters:

The undersigned, special committee representing the three branches of Odd Fellowship in Indiana, and known as the "Endowment Fund Committee," having been appointed for the purpose of creating more interest among our members to increase the Endowment Fund of the Odd Fellows' Home, would represent to the Odd Fellows and Rebekahs of Indiana, that the Endowment Fund of our Odd Fellows' Home was created five years ago and has grown to the magnificent sum of about THIRTY-FIVE THOUSAND DOLLARS. This fund has been increased by small donations from lodges, and bequests, and as it has grown in the past, can with the help of the individual members, reach such an amount as to maintain the Home.

The caring for our orphans, our aged, and our infirm is a work that we must not neglect, we must not stop now but look beyond the present, and in order to give the lodges and individual members a chance to help us in this noble work, we have designated the month of March as "LEEDY ENDOWMENT FUND MONTH," and each lodge is expected during this month, to make a special effort to raise money for the purpose of increasing this fund.

Many Odd Fellows and Rebekahs of Indiana will give to this noble cause if the matter is properly presented to them. Let this be your motto:

"A dime from the smallest giver,
A dollar from all who will,
And thousands from those who can."

Why not appoint a committee from your lodge to devise ways and means to have the noble cause presented to each member. The live, energetic committee may think of many ways, but for the benefit of the lodge without plans, we suggest Dinners, Parcel Post Sales, Dollar Socials, voluntary contributions or the "Home Pictures." We emphasize the educational value of the pictures of OUR HOME, and impress the possibilities that they may have in your community.

Some good brother or sister may desire to give a part of his or her estate by making a distribution before death, or by providing for the same in their last will and testament.

All money collected to be forwarded to Miss Florence McGregor, Mt. Vernon, who will make due acknowledgement of same. Contributions to this fund are acceptable at any time, but the month of March is to be a time of special effort.

Reports in full will be made by the committee at the May sessions.

Fraternally,

ELMER E. HASTINGS,
JOHN R. ANDREWS,
FLORENCE MCGREGOR.
